Hi Anne,

I am working with a coalition of businesses, organizations and neighborhood groups to raise concerns about the blanket legalization of street vending in Los Angeles and Jessica Lall with the South Park BID suggested we connect.

The CLA's office is holding a series of community meetings on the issue, the next of which is on Thursday, June 11 in Van Nuys. We are building a roster of concerned residents, business owners and organization reps to speak at the meeting and I'd love if you could attend. I've attached some info on the meeting/proposal for your reference.

Could you please give me a call on my cell phone at your convenience to discuss? 202-306-8938.

Thank you,  
Jessica
